

Help your employees build financial security with MyCT Savings.

Join the Connecticut employers who are helping their employees save for the future.

Launched in 2022, MyCT Savings is making an impact by expanding access to retirement savings.

Here in Connecticut, 44% of companies do not offer a retirement plan to employees.¹ **MyCT Savings was created to meet this urgent need.**

"Uploading and maintaining the employee list is pretty intuitive as well, especially if you are starting from an export such as an Excel spread sheet. On average, making the weekly contributions take less than 10 minutes per company."

- Kayla Densmore, Green Valley Hospitality
